Rock Garden Plants

The popular rock garden gives us just that little touch of the wild, which is lacking in other forms of garden adornment. The plants we offer in this collection are sorts which will give you a sweep of bloom from early spring until autumn—prostrate, trailing, creeping, upright and carpet-like varieties; some will have mossy foliage and others the interesting characteristics of the alpine flowers. In color the collections afford blues, pinks, whites, reds and yellows. Prices quoted are for well established plants, with selection for varieties left to us.

Hedge Plants

Hardy Evergreen AND Flowering

Ibota Privet, \$1.00 doz.

"THE MOST VALUABLE OF THE PRIVET FAMILY"

A more spreading variety than the California. It is of dense growth good green foliage, grows well in all soils and it is becoming more popular every year. Highly recommended. Nice plants \$1.00 per doz., \$7.50 per 100; 2-yr. \$1.50 per dozen, \$9.00 per 100; extra large \$2.00 dozen, \$12.00 per 100.

California Privet, 75c doz.

The most popular of all hedge plants, of free growth and succeeds under the most adverse conditions, such as under dense shade of trees, where other plants would not exist. Foliage is a rich, dark green remaining on the plant until mid-winter. Nice plants, 75c doz., \$5.00 per 100; 2-yr. plants \$1.25 dozen, \$7.50 per 100; selected plants, \$1.50 dozen, \$10.00 per 100.

Ibolium Privet, 85c doz.

This new hybrid possesses the attractive characteristics of California Privet with the hardiness of Ibota. Foliage is glossy and evergreen, of bushy form and very highly recommended. Can be trimmed as desired. Is becoming more popular every year. Nice plants, 85c doz., \$6.00 per 100; 2-yr. \$1.25 doz., \$8.50 per 100; extra large \$1.50 doz., \$11.00 per 100.

Japan Barberry, \$1.25 doz.

BERBERIS THUNBERGII—Requires but little pruning to keep in shape. The leaves are small, light green, the fruit or berries becoming scarlet. Hardy in all parts of the country. Dixie Hedge Plant, \$1.25 doz.

ABELIA GRANDIFLORA—One of the most beautiful shrubs for a hedge in cultivation. Dark glossy leaves. Heather-like flowers white tinged pink. Nice young plants, \$1.25 per doz., \$9.00 per 100; larger plants \$2.00 doz. \$15.00 per 100.

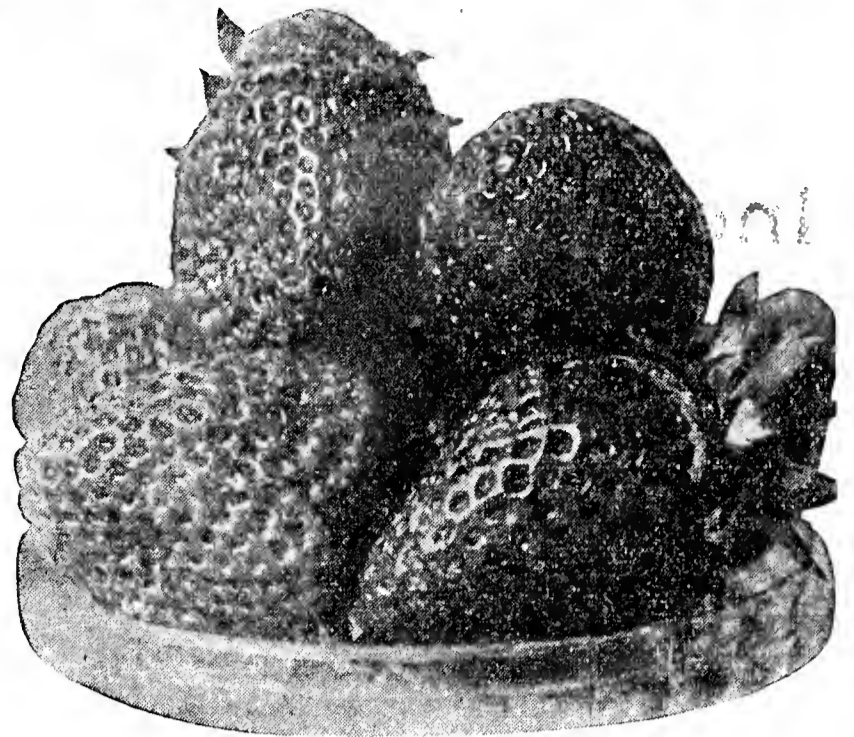

Gorgeous Peonies for Hedges

The modern Peony is without doubt one of the most showy and valuable of our hardy herbaceous plants, especially for hedges. They may be planted in the sun or semi-shade, and they will excel all other plants in the grand display of brilliant and fragrant blooms. A good rich soil and an open sunny, well drained location is to be preferred. Set hedge plants 18 in. to 24 in. apart. We make a wonderful bargain offer of Peonies for hedge planting in colors, red, white, pink, and cream, strong roots, 10 for \$1.35, 25 for \$3.25, 50 for \$6.00.
